ADDITIONAL FUNERAL DIRECTOR PRODUCTS AND SERVICES

Thank you for considering us to act on your behalf. You are asking us to arrange a funeral that will be a unique occasion for a unique human being. Our role is not to sell you things but to provide a range of services that meet your needs and that are carried out in a respectful manner. Since the founding our business by our grandfather over 100 years ago we have always believed in offering a quality service at a fair price.

A funeral has many different parts:-

There are items you need for practical reasons;
others because that is what has been requested;
others because they are in accordance with beliefs,
and some, perhaps, just because you wish to choose them.

We can supply a range of alternative, optional and additional products and services or can arrange on your behalf for a third party to supply them. Please note we do not give or accept financial commissions to or from third party suppliers. *Examples include:-*

Choice of coffin or casket

The specification of the traditional coffins and caskets we supply is unique to us. The coffin/casket, interior lining and dressing gown, handles and other fittings are made in the United Kingdom of fine quality materials and finally assembled on our premises. The Willow coffin are designed and made in Somerset
